

For 15 years, the Cherokee Indian Hospital Foundation Gala has brought the community together in celebration, purpose, and generosity. What began as a single evening of support has grown into a tradition that strengthens the mission of Cherokee Indian Hospital and the health of the Eastern Band of Cherokee Indians year after year. Because of you, this event has become a powerful force for meaningful impact and this year, we celebrate that milestone together.

We are thrilled to announce the 15th Annual Cherokee Indian Hospital Foundation Gala on June 27, 2026, hosted at the Harrah's Cherokee Casino Event Center. To mark this special anniversary year, we invite you to join us for "Revelry in the French Quarter," a Mardi Gras-inspired black-tie celebration. Guests will enjoy an evening filled with elegance, color, music, and joy, all in the spirit of honoring the lives touched through your generosity.

This milestone Gala serves as a renewal of our commitment to the future. With your help, we will highlight the incredible work of Cherokee Indian Hospital employees, share the meaningful progress made possible through donor support, and raise essential funds to continue advancing health and wellness across the community.

We invite you to join us for an unforgettable anniversary celebration. One filled with gratitude, purpose, and revelry. More details will be shared as the event approaches, but for now, please save the date for June 27, 2026 as we honor 15 years of impact — and the many more still to come.
